## Student Code of Conduct

We feel that every student should have or should develop the self-discipline that is necessary for self-rule. The student should be able to behave within the realm of common sense, courtesy, and intelligence. To be inundated with rules, most of which were developed out of extreme abuse of a normal simple act, does not promote an atmosphere of learning and discovery. However, situations arise and in today's legal world the rules must be spelled out. Within these rules we are recognizing Nome's uniqueness and will enforce them accordingly.

### Serious offense requiring suspension and/or criminal charges.

Demoralizing or demeaning of fellow students.

Offensive weapons. This includes but is not limited to handguns, rifles, explosives, fireworks, and large knives. Knives and sharp tools, which are required for class work, will be used responsibly.

Abuse of school property or fellow student's property.

Fighting or aggression toward students, parents, or the teacher.

Liquors, narcotics or tobacco use.

Theft.

Sexual harassment, including but not limited to verbal harassment, touching private areas, and unwanted advancements.

Use of foul or obscene language.

### Offenses requiring reprimand or detention.
