Anvil City Science Academy Parent-Student-School 2017-2018 Contract

Student's Name: _____

This document is a commitment on the part of parents, students, and the school, to the formation of social and academic excellence in our schools. With the cooperation and dedication of the three principle partners (parent(s), school, and student) excellence can be obtained. The level of effort, interest and motivation put forth by the three principle partners will determine the level of each student's success. Together we can improve teaching and learning. This document outlines the rules, regulations and key commitments between the parent(s), school, and students.

The School's Commitment to Students and Parents

As an administrator, I pledge to:

- Create a welcoming environment for all students and parents.
- Provide a safe and orderly learning environment.
- Actively work toward the goal of achieving excellence in our school.
- Reinforce the partnership between parents, students, and staff.
- Communicate regularly with parents, students, and staff regarding the school's mission, philosophy principles, key values, desired student achievements, programs, available services, achievements, needs, etc.
- Act as an instructional leader by supporting teachers in their classroom.
- Maintain and foster high standards of academic achievement and behavior.
